The Eighth Letter: What is Jesus Saying to Our Church?

Based on what we have discovered this weekend, what do you think Jesus is saying to our church? Please return this form to the designated church leader(s) in the coming week.

1. **Salutation:** (Some characterization or attributes which might be appropriate to the way Jesus would address your church)

2. **Clear Commendation:** (What positive things would Jesus have to say to your church?)

3. **Constructive Criticism:** (What would Jesus say needs to be addressed historically and currently in your church?)

4. **Crucial Counsel:** (What would Jesus say your church needs address to do to get right with Him again?)

5. **Promise to the Courageous:** (What would Jesus promise to those who overcome their obstacles to growth, to those who are courageous and do what he says needs to be done?)
